

The SCHWARTE GROUP is the strong umbrella of the brands SCHWARTE JANSKY and SCHWARTE PROCESSING, which cover the entire spectrum of transport, analysis, storage and processing of liquid food and substances. At our locations in Germany, Austria and Poland, we produce innovative system solutions for the dairy, pharmaceutical/cosmetic, chemical and food industries. Our services range from consulting/planning to the design and manufacture of individual solutions.

As another part of our team we are looking for a new member for **Emsdetten (DE)** at the next possible date

ERP-proALPHA Responsible person (f/m/d)

WHAT YOU CAN EXPECT FROM US

- Support of our ERP system proALPHA by supporting the key users
- Requirements analysis of the departments and definition of target processes
- Design and implementation of requirements for the relevant ERP master data
- Optimization of business processes
- Support of our locations in Germany, Poland and Austria
- Establishment of intercompany processes
- Development of evaluations for the specialist departments and management
- Execution of training courses and preparation of documentation
- Cooperation with external service providers
- Administration of new interfaces and program modifications
- Coordination of the entire project across all locations

WHAT DISTINGUISHES YOU

- Successfully completed studies in (business) informatics, IT training or comparable qualification
- ERP experience in dealing with proALPHA
- Support for end users and key users, especially proALPHA ERP systems
- Many years of experience in the introduction of ERP systems
- Good understanding of business processes in an international, medium-sized manufacturing company and cross-departmental optimization of business processes-
- Strong analytical and conceptual skills
- Independent, structured way of working and a high level of customer orientation
- Interest in ERP processes in vehicle and special-purpose layer construction
- Very good written and spoken German and English skills - Polish would be desirable

YOU BENEFIT FROM THIS

- We offer a responsible task in a versatile field of activity
- A dynamic environment with flat hierarchies and short communication channels
